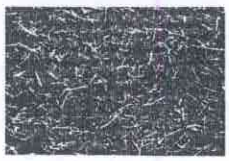
RAMADA®



Nov 20, 1994

Dear Lillian and Harold;

I stopped by the 1994 ASK convention (Symposium) on my way to St. Paul, so I'm writing you from Texas (Dallas).

Yours is the 12TH name on the inside cover of the ASK program (because they are alphabetical) - your name keeps coming up here in conversation like corn popping!!! Many of your books are on sale and at a very handsome price! The speakers are quite rough on Posner — call him Poisoner!!! Also, they ask for cooperation among the skeptics and less back-biting. I'm hoping to get

Some research done at the library or news-paper office - A records review board, set up by Clinton and authorized by Congress, had a hearing here and is "supposed to" help obtain unobtainable material - We shall see. By listening and "planting seeds" one can gain quite a bit. The cabdriver wanted to know what I was doing in town and then responded that "Oswald didn't do it!" It's a 3 day venture, but, takes 4 days - noon-to-noon. I came by train via New Orleans and the Lake, Houston, San Antonio and Austin - a little like JFK 31 years ago - I hope to establish my linch pin and get on with my writing. I bought only one thing - Beverly Oliver's book, NIGHTMARE IN DALLAS. Actually bought it from her 10-year-old daughter who is living on one of Beverly's kidneys - Thought the youngster should get credit for a sale. Also got her (the daughter) to autograph it. Red regards. PAUL HALLER

In Winter Haven, Florida, I saw Reeves Road. If my memory is correct, it was the road that Civil War-era slaves sought in their escape to freedom in the North. It is just another thing I have no time to check out.

Best Regards to you both —

Regrets speaker was Walt Brown, PEOPLE vs L-H-OSWALD — Lots of ASK great stuff. "Hi!"
